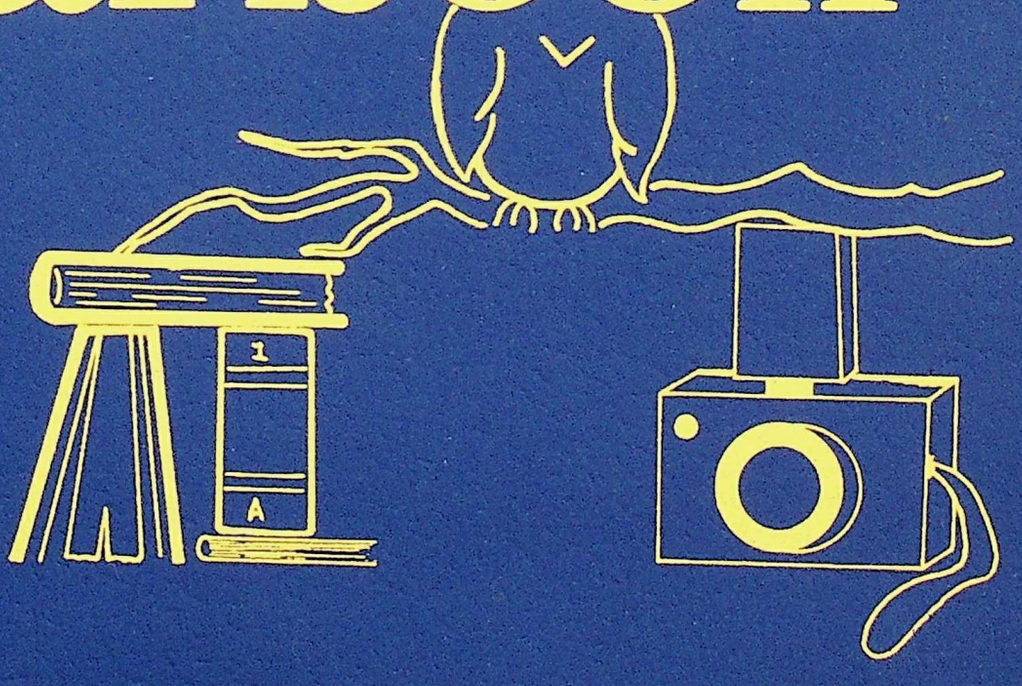
Highlands'

1978-'79

Yearbook



1978-79

PRINCIPAL'S MESSAGE

With this yearbook you have another keepsake which I trust you can page through and find fond memories of this particular year at Highlands. For this we owe our gratitude to your yearbook committee and Mrs. Tait.

Mankind is fortunate that we have among us people who not only fulfill their own responsibilities, but are willing to work for the additional comfort and pleasure of others. The reward for such labors is the admiration and respect of others and the internal satisfaction that we are all better off for the extra efforts.

I appeal to each one of you as well to look into your own lives and resources and ask what <u>you</u> are doing to contribute to the benefit of others by the willful application and donation of time and skill.

Student Council

As president of the Student's Council, I would like to take this opportunity to thank all the students of Highlands for their tremendous support. This year has been a great success and much fun. I would especially like to thank Mr. Fricker and Mr. Lewchuck for being such great advisors. Many thanks to Mr. Jacues and the entire staff of Highlands for their moral support. Most of all I would like to thank the Executive for all their effort and time that made this year what it was. Best Wishes and Good Luck to next year's Student Council.
